Emergency School Closing and Delayed School Openings

In the event that school must be closed/delayed due to inclement weather, announcements may be found over the following sources:

* Blackboard Alerts

*District Website, Facebook, Emails to internal staff, NEWS12 NJ, and Channel 5.

The District website, roxbury.org, posts school closings immediately.

If a TV announcement is "Roxbury Township Schools will be open late," the high school will begin at 9:25 a.m. Dismissal will be at the regular time. When school is closed or is dismissed early for safety reasons, all school sponsored activities will be automatically canceled and/or postponed. This includes social events, club meetings, sporting events (home and away), and practices.

Blackboard Notification System

Last year we transitioned from Honeywell to the Blackboard Notification System. Please make sure that your contact information is correct in Genesis. This will ensure a smooth transition and ensure that you receive pertinent information and updates.

Genesis E-Mail

We utilize our student management software, Genesis, as a communication tool. We will continue to expand our use of this valuable tool to communicate important school events, deadlines, and notifications.

RHS has added additional communication tools; you may now "like" RHS on Facebook and follow us on Twitter via the high school website or my Instagram@roxprincipal.
