Activity Participation Fee Program2436 ACTIVITY PARTICIPATION FEE PROGRAM

The Board of Education recognizes the value of athletic competition and co-curricular activities outside the regular instructional program. However, with reduced or limited revenue and increased expenses, the Board must consider alternative revenue options to support these school-sponsored activities. Therefore, the Board of Education authorizes the establishment of an activity participation fee program as a supplemental revenue source contributing to a percentage of the school district's total costs for operating school-sponsored activities.

The Activity Participation Fee Program will require each pupil participating in a school-sponsored athletic or co-curricular activity to pay a participation fee. The specific activities and fee amounts will be recommended by the Superintendent of Schools and approved by the Board on an annual basis prior to the commencement of the registration or sign-up process for the activity.

The activity fee shall be capped with a maximum total activity fee per pupil regardless of the number of activities the pupil elects to participate in throughout the school year. This per pupil annual fee shall be paid at the start of the school year or when the pupil registers/signs-up for his/her first activity.

A refund of the activity fee will be made only in the event the pupil is not accepted into the activity due to the lack of available space or opportunity within the activity (e.g., the pupil does not receive a part in a drama program production, the pupil is cut from an athletic team during try-outs, it is determined the pupil is ineligible for participation in the activity due to any reason prior to participation in the activity, etc.). A refund of the activity fee will also be provided in the event the district does not offer the activity subsequent to the registration/sign-up process. A refund will not be provided in the event the pupil quits during the course of the activity, is suspended from a sport or activity for disciplinary reasons, becomes academically ineligible, or moves out of district.

The activity fee may be waived or reduced based on financial hardship using the New Jersey eligibility standards established for free and reduced price meals.
