

# No Fun Fundraiser

The EMS PTA has come up with a plan  
But we can't reach our goals unless you lend  
A helping hand

If we asked you to sell pizza, candles, wrapping paper or seeds, OR we offered you some free time, what would it be worth to you?

## **We're hoping it's worth a donation to the EMS PTA!**

Please help us provide even more than we have done in the past! Take part in our **No Fun Fundraiser!** It's easy and won't take up much of your time! Simply write a donation check made payable to **EMS PTA** and *return it in an envelope marked EMS PTA No Fun Fundraiser*. Then put your feet up, relax, read a book (not a sales brochure) and enjoy a cup of tea! It is that easy!

Just in case you didn't know, your PTA here at Eisenhower sponsors 4 dances throughout the year, including the very special Recognition Night dance for our 8<sup>th</sup> graders in June. Last year, our Cultural Arts Committee searched for and found 3 excellent curriculum related programs and will do the same this year. We also support other fun educational events that will be provided during the school year.

One of our most significant contributions to the EMS students is the printing and distribution of the student agenda books. These books provide a critical organizational tool for our children to log daily and long term homework assignments and other pertinent school information.

## **None of this would be possible without your continued help and support!**

We sponsor only one other fundraiser during the school year, which is our Metroschools magazine renewal sale in late September. We ask that you please support these fundraising programs so that we may better provide for the overall benefit of our children.

Again, welcome back and thank you in advance for your generosity!

## **Now go drink your tea before it gets cold!**

The EMS PTA
