

PROJECT WISDOM™

HELPING STUDENTS
MAKE WISER CHOICES

Our teachers and administrators are proud to announce that Project Wisdom is now a part of our school day!

Project Wisdom is a collection of daily messages that are rich in
history, culture, & literature.

These words of wisdom inspire. They teach. And they encourage reflection on topics such as integrity, respect, confidence, courage and honesty.

The program has a proven track record of delivering positive results. It serves as a positive influence by helping to reduce disciplinary problems, promoting a caring learning environment and encouraging students to make wiser choices.

The Project Wisdom program is utilized in schools across America and reaches more than four million students. Now your student can benefit from this program.

Project Wisdom's one minute announcements will be broadcast schoolwide each day. **Ask your child what the message was today.**

If you have any questions or comments about this program, please feel free to contact the school directly. For more information on Project Wisdom visit www.projectwisdom.com.
