

CHESS CLUB

This exciting new program provides students with the opportunity to learn the game of chess during their lunch periods. However, volunteers are needed to make it run smoothly. **No knowledge of chess is necessary!**

The program runs from October to March. Please volunteer for any or all Tuesdays that you are available. Stay for 1 session or both sessions. You let us know what fits your schedule. Any assistance is appreciated!

Check the session(s) you are available on Tuesdays:

(Again you are **not required to be there every week.**

Please come when your schedule permits.)

_____ 10:30-12pm

_____ 12:00-1:15pm
