Dear Parents/Guardians:

At various times during the school year, arrangements are made to take pictures (regular and/or digital) of particular events taking place in a classroom, on the playground, or at an assembly for example. These pictures will be taken by school personnel, a parent, or a newspaper photographer. The photos may be used in one of our local newspapers, in Roxbury, School District's newsletter, school bulletin boards, and or in a school Power Point or digital presentation. Students' names are often included, especially in a caption underneath a picture containing their likenesses. **These pictures may be used on the Roxbury website.**

Occasionally, arrangements are made for a television crew to publicize a special event. The video crew may film a portion of an assembly presentation for example, and audience members may be shown. A television crew may be interested in filming a student being interviewed on Prime Time Roxbury under the direction of school personnel.

Having a signed permission slip on record each year is easier than having to call parents for permission whenever there is a photo opportunity at the school.

Please let us know if you are willing to have your child participate by completing the bottom portion of this form and checking the appropriate box below. We ask that you remember to sign the form before returning it to school. Thank you in advance for your cooperation.
