## Recycle Your Caps with Aveda...Save them & send them in to Lincoln-Roosevelt!

Our first gathering of bottle caps from collection areas around the school yielded **115 pounds of caps!** Way to go Lincoln Roosevelt community! Let's keep up the good work--and please remember to send only the screw type plastic caps--**NO FLIP CAPS please!**

Fact: Did you know that any of these bottle caps that you include with your Roxbury recycling end up in the trash? Please collect these caps so they can actually be recycled!

[Aveda](#) has a program for recycling plastic bottle caps. [Recycle Caps With Aveda](#) is a campaign that collects caps to be [repurposed into new packaging](#). The program accepts caps that are rigid polypropylene plastic - #5. Not sure what that is? It includes hard plastic caps that twist on a threaded neck such as caps on shampoo, water, soda, and milk as well as flip-top caps on tubes and food product bottles like ketchup and mayonnaise, laundry detergents and some jar lids such as peanut butter.

**CAN YOUR CAP BE RECYCLED? Keep the recycling stream clean.**

Some caps that aren't accepted are **non-rigid lids** such as yogurt lids, tub lids (margarine, cottage cheese), and screw-on lids that are not rigid. Please do not include any metal lids or plastic pumps or sprayers. Unfortunately, too much of the wrong type of materials can contaminate the recycling process. **We appreciate your efforts in keeping it clean!**

---

**Don't Forget - Easy Fundraisers**

Remember to clip and send in Box-Tops and Campbell's Soup Labels! To see the entire list of participating products for both Campbell's and Box Tops, please see the L/R PTA website for links with product listings.

**PLEASE SEND IN YOUR BOXTOPS AND CAMPBELLS SOUP LABELS —**

**THEY WILL NEED TO BE SENT IN SOON!**

---

**\* HELP YOUR SCHOOL EARN MONEY \***

Donate your empty laser and inkjet printer cartridges and old cell phones (no battery chargers, power cords or accessories please). It simple, your child can drop them off in the lobby by the Main Office. This program runs throughout the school year, benefits our school and reduces pollution.
