A Note from PTA President Diane Ramage

February is usually a very busy month at Lincoln Roosevelt and this year is no exception! The newsletter is packed with information about everything that is going on; here are a few highlights... The PTA Yearbook Committee has started putting together this year's edition and are in need of pictures from parents. See below for more specific photo information. We're in the planning for our annual Family Bingo Night to be held in the gym on a Friday night in March-more info coming soon!. Even though June is still several months away, it's going to be here before we know it and the 6th Grade Day Committee is hard at work getting ready to celebrate the 6th graders, look for more info below. Thanks to our fall catalog vendor, we have two 20" bikes to give away to two lucky students on February 15th; entry tickets are available during lunch the week of Feb 6th. All proceeds will go to benefit 6th Grade Day. Read on... and find out how you can help out our students at L/R.

*Thanks! Diane Ramage
PTA President*

Bike Contest- Win a 20 inch Girls or Boys Bike

During lunch periods Feb 6-10, purchase a small item from the PTA for 1\$, and you will receive a ticket to enter a drawing for a 20 inch new bike (kids can choose which bike they would like to win- boys or girls). All proceeds will help fund the 6th Grade Day Picnic. PTA volunteers will be in the cafeteria during the week. Winners will be chosen on February 15th.

The 6th Grade Day Picnic Committee and the PTA is looking for some connections!

Do you have any connections to anyone in the restaurant or food business or works for food companies? The 6th Grade Day committee is looking for ways to help off-set the costs by securing some donations. Anything from paper goods to food/drinks/desserts etc. would be greatly appreciated. The 6th Grade Day Picnic is the perfect way to end the Lincoln-Roosevelt experience and it's something the kids will always remember! Please email Jean Tom sjrsltom@optonline.net or Alana Hayford ahayford@optonline.net
