Dear Parents,

Thank you to all of you who were able to attend the Poetry Presentation last week. The Children were very excited that you were there! I was thrilled with their performance and very proud of them. They did a wonderful job reciting all the poems.

Your child should be working on their holiday card book reports. Please let me know if you need another set of directions or any paper/supplies to complete this assignment.

We will soon begin 2-digit addition and subtraction in math. Continue having your child practice their math facts using the triangular facts that were sent home. Knowing their facts as quickly as they know their name will make a huge difference as we move forward in math. Many of the children are already on multiplication timed tests! I am very happy with their progress.

I think that is it for now...just want to wish all of you a wonderful Thanksgiving holiday with your family. As always, please feel free to call or email me with any questions/concerns.

Ps. A **BIG** "thank you" to the room moms for a great Halloween Party!
