To: School Superintendents and Childcare Center Directors

From: Frank A. Grisi, Health Officer/ Director of Health

Subject: H1N1 Vaccination Clinics (Clinics)

We have scheduled four clinics in November. They are as follows:

November 6th (Friday) 3-8pm and November 10th (Tuesday) 3-8pm conducted at the Roxbury Township Community Center, 72 Eyland Ave. Succasunna, 07876, in the Senior Citizen meeting room.

A clinic is scheduled November 13th (Friday) 4-8pm Canfield School, 42 Canfield Ave. Mine Hill, 07803.

The fourth clinic is scheduled November 16th, (Monday) 4-8pm MacKinnon School, 137 E. Central Ave. Wharton, 07885

In compliance with the CDC directive, the clinics will be offered to **ONLY** those individuals in the initial priority target groups. They are:

- Pregnant women
- Household contacts and care givers for children younger than 6 months of age
- All people 6 months to 24 years of age
- Healthcare and emergency services personnel
- Persons aged 25 to 64 years old who have health conditions associated with higher risk of medical complications from influenza

Please disseminate this information to your school staff and parents of children enrolled in your schools. If possible please include the consent form if written information is sent home with students.

Lastly, please note that we have a total of four additional clinics planned in Roxbury, Mine Hill and Wharton. We will publicize the dates upon receipt of additional vaccine orders receive by my department. They will also be to vaccinate those in the priority groups.

Thank you for your cooperation in this matter and please contact me if you have questions.
