**Activity Fee Guidelines**  
**2010-2011 School Year**

The Roxbury Board of Education recognizes the value of athletic competition and co-curricular activities outside the regular instructional program. However, with reduced or limited revenue and increased expenses, the Board must consider alternative revenue options to support these school-sponsored activities. Therefore, the Board of Education has authorized the establishment of an activity participation fee program as a supplemental revenue source contributing to a percentage of the school district's total costs for operating school-sponsored activities.

For the 2010-2011 School Year, the fees will be as follows:

Roxbury High School:	\$150
Eisenhower Middle School:	\$ 75
Lincoln-Roosevelt School:	\$ 50

There is no additional cost for participating in more than one activity.

Payment will be accepted through the Roxbury Community School. Checks should be made payable to the Roxbury Board of Education. For other methods of payment, please contact the Roxbury Community School.

If payment of the participation fee would prove to be a financial hardship for a family, the parent/guardian should complete the Participation Fee Waiver Form. The guidelines for determining that a student will have the participation fee waived will be similar to those of the district's free and reduced lunch programs.
