August 2023

Dear Ninth-Grade Parent:

We welcome the Class of 2027 to Roxbury High School!

On Tuesday, August 29, 2023, we will hold our annual "Transition Day" for all incoming ninth graders. The Class of 2027 will have the opportunity to walk their daily schedules, locate their lockers and ask questions to their assigned Peer Leaders. All freshmen are responsible for bringing in a copy of their classroom schedule, which will be available on Genesis after August 15 for all students completing the "sign-off" process. Transportation will not be provided to or from school. Please note that the Transition Day program is only for freshmen students unless otherwise notified.

For your information, Back-to-School Night will be held on Thursday, September 7th, at 7:00 p.m. Please mark your calendars.

I anticipate that our Transition Day will initiate a rich and rewarding educational career for your child at Roxbury High School. I hope that all ninth graders attend their assigned session and that I have an opportunity to personally welcome them to their new school. For your information, classes formally begin for all students on Wednesday, August 30, 2023. Once again, please note: **Tuesday, August 29** -Transition Day Program, Freshman Orientation. Assigned times will be shared no later than August 23.

Respectfully,

Dominick Miller
Principal
