**Alma Mater (canción oficial de Roxbury High School)**  
**The Dark Blue and Gold**

Through the four long years of Roxbury  
    'Midst the scenes to us so dear,  
        Full of hustle, full of hurry,  
Are the days that we spend here.  
    As we won athletic victories  
        On the football field of old.  
Still we work for dear old Roxbury  
And the Dark Blue and the Gold.

Although other schools are larger,  
And their names are better known,  
Still the school that we will favor  
    Is the school that is our own.  
We will work for dear old Roxbury  
    And float her colors bold.  
For the colors of our High School  
And the Dark Blue and the Gold.

When the cares of life o'ertake us,  
Mingling fast our locks with gray,  
Should our dearest hopes betray us,  
    False fortune fall away.  
Still we banish care and sadness  
    At the memories of old,  
And recall those days of gladness  
'Neath the Dark Blue and the Gold

## **EXPECTATIVAS PARA LOS ESTUDIANTES**

Uno de los objetivos de la educación formal es enseñar ciudadanía y responsabilidad por las propias acciones. Esto es de primera importancia en la sociedad actual. Ha sido la costumbre de los estudiantes de Roxbury High School reconocer el comportamiento apropiado para una situación dada y comportarse en consecuencia. Se espera que esta costumbre continúe y que los estudiantes muestren la cortesía que ha traído muchos elogios al alumnado ya la escuela.

La junta de educación espera que todos los alumnos de este distrito escolar, de acuerdo con su edad y capacidad

- se preparen mental y físicamente para el proceso de aprendizaje;
- respetar la persona, la propiedad y el producto intelectual y creativo de los demás;
- asumir la responsabilidad de su propio comportamiento y aprendizaje;
- usar el tiempo sabiamente y compartir responsabilidades cuando se trabaja con otros;
- cumplir con los requisitos de cada curso de estudio;
- monitorear su propio progreso hacia los objetivos escolares;
- comunicarse con los padres/tutores y los miembros apropiados del personal escolar sobre asuntos escolares.

## **INTEGRIDAD ACADÉMICA**

Los más altos estándares de honestidad deben aplicarse a las acciones de un estudiante en la Escuela Secundaria Roxbury. Cualquier acto de deshonestidad se refleja en un estudiante y afecta a toda la comunidad escolar.

Entre las faltas académicas más graves se encuentran la copia y el plagio. Ambas son formas de hacer trampa. Al copiar, un estudiante toma el trabajo de otro, ya sea de la tarea o de un examen, y lo reclama como propio. El término plagio generalmente se refiere a un nivel más alto de copia en el que una persona, a menudo al preparar un trabajo de investigación, copia de las fuentes sin indicar qué fuentes se utilizaron. En efecto, al no nombrar la fuente, el estudiante está reclamando el trabajo como suyo. El término también se aplica si un estudiante copia un trabajo de investigación de otro y afirma que él/ella es el autor. Ya sea que el estudiante sea la persona que da o recibe la información, es culpable de un acto deshonesto.

Todos los casos de trampa se tratan con severidad en Roxbury High School. Cualquier trabajo (tarea, examen de prueba o papel), que se completó por medios deshonestos recibirá una calificación de cero. Los maestros notificarán al consejero y al padre/tutor. Los estudiantes estarán sujetos a medidas disciplinarias y se colocará un registro de esta ofensa en el archivo del estudiante y se mantendrá durante toda la carrera escolar.

## **CONSEJERÍA Y ORIENTACIÓN**

El programa de consejería y orientación de la escuela secundaria está diseñado para ayudar a los estudiantes a construir una base educativa sólida, desarrollar sus talentos y habilidades y planificar su futuro. Los estudiantes se reúnen regularmente con su consejero para construir una relación positiva basada en la confianza, el cuidado, la confidencialidad y el respeto mutuo.

El Departamento de Educación del Estado de Nueva Jersey ha designado el Plan de Orientación y Consejería de la Escuela Secundaria de Roxbury como una "mejor práctica" en el estado.

### **El Plan de Consejería y Orientación**

El plan 4-2C está diseñado para ayudar a los estudiantes a desarrollar y alcanzar sus metas profesionales y universitarias/postsecundarias. Las actividades de orientación ayudan a los estudiantes a elegir cursos cada año, evaluar las fortalezas y debilidades, tomar decisiones educativas y profesionales clave y resolver los problemas que encuentran en la escuela secundaria.

El Plan de cuatro años para la educación profesional y universitaria/postsecundaria (4-2C) se basa en cuatro principios de desarrollo:

- Todos los estudiantes desarrollan un plan de cuatro años.
- Todos los estudiantes establecen una meta educativa tentativa.
- Todos los estudiantes establecen una meta profesional tentativa.
- Todos los estudiantes tienen la oportunidad de usar sus talentos, habilidades, intereses e inteligencias múltiples únicos.

Cada período de calificación, se ofrecen actividades de orientación de desarrollo para seleccionar cursos, explorar carreras y prepararse para trabajos. El programa 4-2C se entrega a través de cuatro componentes: consejería, consulta, plan de estudios y mejora del sistema. Cada componente ayuda a los estudiantes a lograr la mejor educación posible y, en última instancia, a seguir una carrera profesional exitosa y gratificante.

### **Reuniones de consejería**

Los consejeros programarán conferencias estudiantiles en cada período de calificación. Se alienta a los estudiantes y padres/tutores a llamar o hacer citas cuando sea necesario.

El Centro de Consejería y Orientación está ubicado en el primer piso al frente de la escuela. Las citas se pueden hacer antes o después de la escuela o durante un período de instrucción variable (VIP) o durante el almuerzo. Las citas no deben programarse durante el horario de

clase. Se debe obtener un pase y presentarlo al maestro de VIP antes de presentarse a una conferencia.

	50 - 59 F = 0

\* Todos los cursos de Colocación Avanzada reciben un (1) punto de calidad adicional. Todos los cursos de honores reciben la mitad (.50) puntos de calidad.

La suma de los puntos de calidad obtenidos se divide por la cantidad de créditos intentados para obtener el promedio de calificaciones (GPA). Todas las materias calificadas (excluyendo P/F) se incluyen en el rango de clase. Se registran calificaciones numéricas.

### **Calificación del periodo de grado**

Al final de los dos primeros períodos de calificación, un estudiante que obtiene un promedio por debajo de **50** recibe un **50** independientemente del nivel alcanzado. El objetivo es mejorar la capacidad de uno para recibir una calificación aprobatoria para el año. Sin embargo, un maestro puede emitir una calificación inferior a **50** cuando ocurre todo lo siguiente:

1. El estudiante ha realizado poco o ningún trabajo y se ha desempeñado por debajo **50** en los instrumentos de evaluación.
2. El estudiante, el padre/tutor y el consejero han sido notificados del desempeño limitado durante el período de calificaciones.
3. El maestro ha discutido el problema con el supervisor del departamento y el consejero y existe un acuerdo mutuo por escrito sobre la calificación que se otorgará.

En el caso de ausencias prolongadas que no requieran instrucción en el hogar, los padres/tutores deben comunicarse con el consejero vocacional y la oficina de asistencia.

## PROGRAMA CO-CURRICULAR

### Propósito

El programa co-curricular de la escuela es una parte importante en el desarrollo total de cada estudiante individual. Se alienta a los estudiantes a participar en deportes, clubes, intramuros, grupos musicales, actividades de clase y otros eventos especiales patrocinados y aprobados por la escuela. Los estudiantes deben unirse a actividades que aprovechen sus intereses y les permitan convertirse en participantes de tiempo completo.

Los estudiantes también deben aceptar la responsabilidad de los compromisos una vez que se unen a cualquier club o actividad y programar su tiempo de manera inteligente. El trabajo en el salón de clases debe ser lo primero, ya que ese es el propósito principal de asistir a la Escuela Secundaria Roxbury.

Los períodos/días perdidos cuando los estudiantes participan en excursiones cocurriculares se contarán como ausencias no acumulativas. Sin embargo, la participación queda a discreción de sus maestros en función del rendimiento y el progreso académico.

Las ausencias excesivas pueden resultar en la pérdida del derecho a participar en eventos cocurriculares que se llevan a cabo durante el día escolar. La facultad traerá a la atención del Subdirector apropiado el nombre del estudiante cuyas ausencias frecuentes están impactando negativamente en el desempeño de la clase.

The student must remain in good standing and will be monitored throughout the season or time of participation.

**NOTE:** *A student failing more than one subject is not eligible to appeal his/her eligibility. A student placed on eligibility probation through the appeal process must meet the terms of probation in order to maintain his/her eligibility*

### **Athletics/Activity Physicals Procedures**

Sports physicals are to be performed at the student's medical home. A sports physical is only valid for 365 days and must be current at the first day of practice. It is the responsibility of the parents/guardians to make sure that their child's physical is valid and current before the start of a sport. Please note that depending on the date a physical was performed, a student may be eligible for one or two sports seasons and then become ineligible during the course of the school year. Eligibility is directly associated with the date of the physical, not prior sports participation. This means that just because a child was cleared for a Fall Sport, does not automatically clear him or her for another season. Physical clearance is strictly governed by the official deadline for submission of Sports Participation Forms.

### **All FORMS ARE TO BE RETURNED TO THE ROXBURY HEALTH OFFICE ON, OR AROUND, THESE DATES:**

<b>Fall Sports/Band</b>	<b>July 12</b>
<b>Winter Sports</b>	<b>October 13</b>
<b>Spring Sports</b>	<b>February 8</b>

There are **NO EXCEPTIONS** to these deadlines. Failure to submit completed and valid physicals forms by these dates will result in non-participation by a student.

- ❑ A three-week cushion period has been built into these dates in order to provide sufficient time to resolve problems with incomplete forms submitted by the deadline. Parents/Students/Physicians **MUST** follow the instructions on the Checklist provided in the packet to expedite the sports form clearance process. Failure to do so may result in a delay of a student's clearance.
- ❑ As part of the clearance process for each season, a Health History Questionnaire (Part A of the Athletic Preparticipation Physical Form) and an Emergency Form must be submitted by **every student participant and dated** within sixty days of the start of practice whether it is a recheck or new physical.
- ❑ Cheerleading: Cheerleading will be expected to submit paperwork three times a year. May tryouts, Fall Cheerleading and Winter Cheerleading will be considered separate and distinct “seasons”. Sport forms submission rules will apply.

Every year a student must complete both a NJSIAA Steroid Testing Policy Consent to Random Testing Form and an Athletic Training and Procedures Form. If an injury or illness has occurred since the last season that required a student to be out of a Physical Education class or a sport, a note of clearance from a **New Jersey Licensed Physician** must be presented in order for a pupil to begin practice.

- ❑ The School Physician will review forms at Roxbury High School for three consecutive weeks at the start of each season beginning with the week of the submission deadline. (Previously noted)
- ❑ Parents will be notified by mail that their child has been medically cleared for participation in sports or band. Note: A parent will not be notified if the forms submitted are “recheck” physical forms.
- ❑ Sports Participation forms will be reviewed each season by the Director of Athletics and Student Activities to make sure that the student is in good academic standing. (Please refer to the student handbook for academic eligibility requirements). If deemed ineligible by the Director of Athletics and Student Activities, the student and parent may appeal the eligibility to the high school principal.
- ❑ If you cannot get a physical at the student's medical home, you may make an appointment at the School Physician (Skylands Orthopedic in Hackettstown) at their office. Insurance information will need to be presented to the School Physician. If you are unable to do so, The Roxbury Board of Education will pay for sports physicals for uninsured students, **as a one time only** courtesy, with permission from the Roxbury High School Health Office. Parents/Guardians will be monetarily responsible for all other physicals regardless of personal insurance issues.
- ❑ If the Sports/Band physical is performed at the School Physician's Office, the School Physician may sign the form and clear the student at the time of the physical. All Physical Exams performed at other medical homes must be cleared by the School Physician when that official comes to Roxbury High School for that purpose.
- ❑ Students who are on a medical waiver when a sport /activity starts will be allowed to participate after the start of the season only when cleared by a **New Jersey Licensed Physician**. Please note forms must be handed in by the appropriate due date. The student will be **officially** cleared once the proper medical forms are received in the Health Office.
- ❑ New students registering for school after the start of a sport season will be allowed to submit forms after the deadline if he/she desires to participate in that season.

This information will be available in Student Handbooks as well as on the roxbury.org website.

Student athletes represent Roxbury High School in a very visible public forum and are often seen as models for other students. Student athletes who project a negative image on or off the playing field undermine the intent and purpose for which interscholastic athletics are provided by schools. Students displaying poor sportsmanship, disregard for school rules, or whose conduct undermines the development of positive attitudes and values may be removed from participation in the interscholastic sports program.

Varsity Letters will be awarded in accordance with Board of Education Regulations R5450.

## Code of Conduct

*(REVISED 08-02-2021)*

The RHS Code of Conduct contract is a commitment by the student to exercise good judgment in all affairs, to represent self, school, family and community in the most positive manner at all times, and to encourage others to share these ideals. Students engaged in interscholastic athletics or student activities are considered leaders and, as such, are expected to represent themselves in that fashion. Participation in co-curricular activities is an avenue for the teaching and practicing of good citizenship, for promoting the growth of good character, and for the development of other important life skills. Student involvement in Roxbury's co-curricular program is an honor and a privilege, not a right. The privilege comes with inherent responsibilities, and is dependent upon compliance with applicable rules and regulations.

As a member of a school team, club, or organization, a student's behavior on campus, in the community, and at other schools reflects on not only him/herself, but on one's family, on one's program, and on one's school as well. Students engaged in co-curricular activities must carefully consider their actions at all times. This Code of Conduct applies to all students in Roxbury High School beginning on July 1 preceding the student's freshman year and concluding with the student's graduation. Students and parents understand that, in order to participate in any co-curricular activity (athletic or student activity), students must act in accordance with the following standards:

**Student Leadership Positions** - The standards for students holding student body and activity leadership positions (including but not limited to: SCA/class officers, elected or appointed leaders of any club or activity including those in the performing arts, editors of school publications, etc. as well as peer leaders, or captains of athletic teams) are of the highest level. Code of Conduct violations for students serving in these roles will result in **dismissal** from the respective leadership role in addition to the sanctions listed below for Code of Conduct violations.

## ACADEMIC ELIGIBILITY

All students must meet the eligibility standards listed below. Student athletes must additionally meet all NJSIAA eligibility criteria.

**Eligibility:** All eligibility for co-curricular participation, including athletics, will be directly linked to a student's demonstrated progress toward graduation as noted below:

To be eligible for activities beginning in the third (3<sup>rd</sup>) marking period and/or spring sports, a student must have passed thirty-five (35) credits during the preceding year, and a student must have achieved a passing grade in each of his/her courses for the second (2<sup>nd</sup>) marking period.

*NOTE: Once a student has achieved academic eligibility for an activity/sport, he/she remains eligible for the duration of that activity/sport **except year-long activities**. Eligibility for year-long activities will be determined on a semester basis.*

Students placed on probation through the appeals process must meet the terms of probation in order to maintain their eligibility.

## **Appeal Process**

With extenuating circumstances, eligibility decisions may be appealed to the principal.

1. The principal may then convene an eligibility committee consisting of: assistant principal, counselor, guidance director, coach/advisor, and a subject teacher.
2. Options will include, but are not limited to, a student being placed on probation until the mid-term progress report, at which time the student must have a passing average in all subjects to remain eligible. The student must remain in good standing and will be monitored throughout the season or time of participation.

**NOTE:** A student failing more than one subject is not eligible to appeal his/her eligibility. A student placed on eligibility probation through the Appeal Process must meet the terms of probation in order to maintain their eligibility.

## **ATHLETICS/ACTIVITY PHYSICALS PROCEDURES:**

All candidates for interscholastic sports must have a medical examination within 365 days prior to the first practice session. Medical examinations for candidates for a school athletic squad or team are to be conducted at the student's medical home. The “medical home” is defined as a health care provider and that provider's practice site chosen by the student's parent/guardian for the provision of health care.

As required by NJAC 6A:16-2.2 (h), the medical report from the examining physician, nurse practitioner, clinical nurse specialist, or physician's assistant must include a determination concerning the student's participation. If it is not possible to arrange a physical at the student's medical home, one may make an appointment to have a physical performed by the school physician (Medical Care Associates) at that office.

Please note that eligibility is directly associated with the date of a physical, not prior sports participation. This means that depending on the date a physical was performed, a student may be eligible for one or two seasons and then become ineligible during the course of the school year. Physical clearance is governed by the official deadline for submission of Sports Participation forms.

A completed and signed Permission Slip, Health History Questionnaire, Health History Update, Athletic/Activity Emergency Card, and the school physical examination form completed by his/her physician must be returned to the school nurse. Prior to the first practice in a second sport or activity, students must report to the nurse with a completed Permission Slip, Health History Update, and Athletic/Activity Emergency Card for that sport in order to receive clearance. Students will not be allowed to participate in any sport/activity until the coach receives a completed Athletic/Activity Emergency Card signed by the nurse and athletic director.

The school nurse will make announcements as to when and where physical examination forms can be obtained and when they should be returned for each athletic season.

**Permission Slips:** All students must submit a Parental Permission Form (as provided by the school) to the appropriate school official. This form is included in the packets for all students who must receive a physical examination as a criterion for participation.

## **CONDUCT:**

All students must submit a Code of Conduct form that has been signed by the student and his/her parent/guardian. No student will be allowed to participate in any activity or sport without having submitted this form. The Code of Conduct is in effect beginning on July 1 preceding a student's freshman year and concluding with the pupil's graduation from Roxbury High School.

Students who are involved in activities or athletics are representatives of Roxbury High School and must conduct themselves in a manner that reflects positively on their clubs, their teams, their school, and their community at all times. Therefore, they accept the responsibility to comply with all Board of Education Policies and Regulations, all school rules, and the rules established by various governing organizations (for example: NJSIAA, NJAC, MCSIHL, NJILL, NJGILL etc.). Students found to be in violation of the department standards delineated in this document and/or Roxbury High School's student discipline regulations will be subject to appropriate discipline, suspension, and/or expulsion.

## **Sportsmanship**

All activity students and student athletes will adhere to the guidelines of proper sportsmanship/behavior and must show proper respect for their teammates, fellow activity participants, opposing players, coaches, advisors, parents, judges, and officials at all times. Disqualification from an activity/event as a result of poor sportsmanship or as a result of an official's ruling is unacceptable. In cases such as these, team/club discipline will be instituted, including suspension from a club/activity for a semester, disqualification from ensuing competitions (sports), and school discipline. Roxbury High School sanctions including school discipline (in accordance with BOE Regulation 5600) will be added to those of the NJSIAA in the case of athletic disqualification. Pupils whose privileges are revoked for Code of Conduct violations are not entitled to reimbursement of any monies, entry fees, dues, etc., that may have been paid.

## **Transportation**

Appropriate behavior is expected at all times when students are being transported on school buses. Reasonable noise levels must be maintained. Distasteful displays, obscene gestures or language, and any other action deemed as conduct unbecoming of a Roxbury student will result in team/club and school discipline. All athletes and activity participants are expected to travel to and from events or practices as part of their club or team. The coach or advisor may allow a student to return home from an away event if the pupil provides a parental request (alternative transportation form) that is approved by an administrator and the parent/guardian is present to take charge of the student. At no time will students be allowed to transport themselves to events. All students are encouraged to use the assigned school transportation. This promotes team/club unity, ensures proper supervision, and allows for greater safety of the students. All safety guidelines must be maintained while traveling on school buses. Violation of these standards will result in school and club/team discipline.

### **Equipment**

Students who are loaned equipment, uniforms, and other property belonging to the Roxbury Board of Education must take responsibility for its proper use and care. Upon completion of a sports season, or at the conclusion of an activity, all issued materials must be returned in a timely fashion. Equipment that is lost or stolen is a student's responsibility, and he/she will be assessed accordingly. No uniform for the next season will be issued until all obligations are met. Violation of these standards will result in school and club/team discipline.

### **Hazing, Bullying, Intimidation, Sexual Harassment**

Hazing, bullying, intimidation, and sexual harassment are strictly prohibited. Any action taken or situation intentionally created to produce mental or physical discomfort, embarrassment, harassment, or ridicule as a condition of joining a team, student organization, or other group will be considered as unacceptable. The conduct is wrongful even if the participants consent to the conduct. Hazing, bullying, intimidation, and sexual harassment are an abuse of power and a violation of human dignity. They will be dealt with in the most serious of fashions. In addition to club/team discipline and school discipline (see Board of Education Policy and Regulation 5512), the local authorities will be notified and legal action may be taken.

### **Theft/Vandalism**

Theft/vandalism of any school property belonging to the Roxbury Board of Education or any other school is strictly prohibited. Students must respect all property as if it is their own. Violators will be subject to team/club and school discipline and will be reported to the local authorities.

### **DISCIPLINARY ACTIONS FOR SPECIAL CODE VIOLATIONS (SCHOOL MISCONDUCT, TOBACCO, ALCOHOL, CONTROLLED DANGEROUS SUBSTANCES)**

A student will be governed by this Code beginning July 1 preceding freshman year and concluding with that student's graduation. All activity participants and athletes (including statisticians and team support persons) are governed by this Code. Individual advisors and coaches may have additional team regulations that must be followed by team/activity members.

## **School Misconduct**

**First Violation** (In-School or Out-of-School Suspension) A student who has been assigned In-School Suspension (ISS) will be excluded from participation in Activities and/or Athletics on the dates of the ISS. If the ISS is assigned on non-consecutive days (ie Friday and Monday), the student will also be excluded from participation on the days when school is not in session (not to exceed five calendar days). A student assigned Out-of School Suspension (OSS) will be excluded from participation in Activities and/or Athletics for a period of seven (7) calendar days (including at least one event/competition) beginning at the time of suspension.

**For a student who has committed multiple violations of school rules resulting in student suspension (ISS or OSS), the following guidelines are in effect:**

**Second violation** (ISS or OSS suspension) in a student's career will result in removal from an activity for a period of one semester (5 school months) or from a sport for one season.

**Third violation** (ISS or OSS suspension) in a student's career will result in removal from all sports and activities for one year.

**Fourth violation** (ISS or OSS suspension) during a student's career will result in removal from all sports and activities for the student's high school career.

The individual is prohibited from participation in any further athletic or student activities for the remainder of his/her high school career, effective from the date he/she is informed. The student will be referred to the Student Assistance Counselor. He/she remains subject to Board of Education Policies and Regulations as well.

## **Controlled Dangerous Substances**

**For a student who is involved with illicit or illegal drugs or controlled dangerous substances in any form including steroids, performance enhancing drugs, or any performance enhancing products, or who is in the presence of others using these substances, the following guidelines are in effect:**

**First Offense:** (At any time during a student's high school career that involvement is determined by an administrator, using a preponderance of the evidence standard.) Suspension from any games/events activities for a calendar year, effective from the date he/she is informed. He/she will be referred to the Student Assistance Counselor and is subject to Board of Education Policy and Regulations.

**Second Offense:** (At any time in a student's high school career that involvement is determined by an administrator, using a preponderance of the evidence standard.) The individual is prohibited from participation in any further athletic or student activities for the remainder of his/her high school career, effective from the date he/she is informed. The student will be referred to the Student Assistance Counselor. He/she remains subject to Board of Education Policies and Regulations as well.

All violations of Board Policy/Regulations respective to the above Code will be reported to the school administration. A determination of appropriate school discipline will be made after a review of the details of the incident. Students have the right to appeal disciplinary determinations of District officials or the Board of Education to the New Jersey Commissioner of Education and, where applicable, to pursue the due process rights established in NJAC 6A:14 for pupils classified as eligible for special education.

Student attendance at parties or gatherings where tobacco, alcohol, or controlled dangerous substances are present is strictly prohibited. Once awareness of the presence of any of these substances is known, students involved in activities or athletics must depart from those affairs or situations immediately. This rule does not restrict a student from attendance at family functions or religious rituals. The purpose of this regulation is to deter under-age drinking and/or substance abuse by students. The consequences for violation of this rule will follow the standards for tobacco, alcohol, or controlled dangerous substances noted previously (for example, a pupil who remains at an event where alcohol is being used) will be disciplined in accordance with the guidelines for a student who is consuming alcohol.

A pupil who violates the Code of Conduct (tobacco, alcohol, controlled dangerous substances) outside of his/her season will be excluded (in accordance with the guidelines above) from participation in the next season in which they participate.

**Crimes occurring off school property:** A pupil who is convicted of a crime off of school property or while school is in recess will be disciplined in accordance with the guidelines enumerated below.

**First Offense:** 14 days suspension from activities and athletics (including at least two contests).

**Second Offense:** season suspension for activities and athletics.

**Third Offense:** career exclusion from all activities and athletics.

***Remember:***

***Everything you say and do should be consistent with the core ethical values comprising good character: tolerance/acceptance, respect, responsibility, integrity and kindness.***

**ATTENDANCE POLICY**

In accordance with the requirements of New Jersey State Law and Administrative Code and [Regulation 5200](#), students are expected to attend school every day that school is in session, and the responsibility for compliance belongs to the student and parent/guardian. Regular attendance and participation in classes are a vital and integral part of the learning process. Frequent absences from classroom learning experiences disrupt the continuity of the instructional process and limit the ability of the student to complete the prescribed curriculum requirements successfully. In addition, chronic absences reinforce a habit that will handicap the individual in future education or employment.

A student should be in attendance over 90 percent of the school year in order to have successfully completed the instructional program requirements of the grade/course to which he/she is assigned. **Students who accrue more than 8 absences in a full year course, 6 absences in a three marking period course (PE), 4 absences in a semester course, or 2 absences in a marking period course (Health) will receive no credit for the course due to excessive absenteeism.**

This is not a permissive regulation establishing or licensing a limit of days that may be missed. Rather, it assumes absences will only occur due to personal illness or circumstances listed below. Parent/guardians are asked to contact the school by 9:00 am on any day their child is absent, and to submit a written statement on the first day a student returns to school after an absence. Family vacations, job interviews, etc. will be recorded as unexcused absences. Students who report late to class (less than fifteen (15) minutes) without an appropriate pass will accrue (one-half)  $\frac{1}{2}$  of a student absence in that class period. Students absent from class for fifteen minutes or more will be recorded as absent.

### **Non-Cumulative Absences**

Any absence will count toward the total days with the exception of absences due to:

1. Death in the immediate family.
  2. Observation of an approved religious holiday.
  3. Suspension from school.
  4. Subpoena - court ordered appearance.
  5. Driver's test.
  6. Medical notes approved by the administration.
- Other absences authorized by the administration, with prior approval, including days for college visitations.

**An appropriate absence note/documentation, as verified by the RHS administration, must be brought in by the student upon his/her return to school. Failure to bring in a note within ten (10) school days will result in the absence being recorded as cumulative.** Authorized school activities, such as field trips, state or school testing, regularly scheduled student council, athletic contests, and class meetings will not be counted as cumulative absences.

Teachers should contact the activity advisor if a student's absences from class are hindering the student's academic progress. If a student is performing below average in a course, the teacher and the advisor will determine the advisability of the student missing class to participate in an activity. If a student is failing a course that is required for graduation, it is recommended that the student not be excused from class to attend an activity until he/she maintains a passing average. The Child Study Team should be involved in recommending the appropriate course of action for classified students.

In order for a student to participate in an athletic event, student activity, or social activity such as a prom, he/she must be in attendance until at least 11:25 am on the day of that event.

### **Parent/Guardian Notification**

It is important that the parent/guardian be notified periodically of their child's attendance so that appropriate measures may be taken. Notification will be as follows:

#### Full-Year Course

1. After the fourth absence, parent/guardian will be notified of their child's attendance status.
2. After the eighth absence, parent/guardian will be notified a second time. The student's counselor and an administrator will meet with the student and contact the parent/guardian.
3. Upon the ninth absence, parent/guardian will be notified of loss of credit. The student will be advised of this loss of credit by an administrator.

#### Three Marking Period Course (Physical Education)

1. After the third absence, parent/guardian will be notified of their child's attendance status.
2. After the sixth absence, parent/guardian will be notified a second time. The student's counselor and an administrator will meet with the student and contact the parent/guardian.
3. Upon the seventh absence, parent/guardian will be notified of loss of credit. The student will be advised of this loss of credit by an administrator.

#### Semester Course

1. After the second absence, parent/guardian will be notified of their child's attendance status.
2. Upon the fifth absence, parent/guardian will be notified of loss of credit. The student will be advised of this loss of credit by an administrator.

#### One Marking Period Course (Health)

1. After the first absence, parent/guardian will be notified of their child's attendance status and an administrator will meet with the student and contact the parent/guardian.
2. After the third absence, parent/guardian will be notified of loss of credit. The student will be advised of this loss of credit by an administrator.

## **Perfect Attendance**

For perfect attendance, a student must be physically present each school day. Religious holidays and Take Your Child to Work Day will not count against perfect attendance.

## **Transfer Students**

Students who transfer into Roxbury High School during the school year will have their non-cumulative absences prorated for each class.

## **Passing Time**

A five-minute time period is allotted for passing from class to class. Students are asked to walk rapidly during the changing of classes so they will not be tardy for their next class.

## **Early Dismissal**

Illnesses that occur after the student reported to school, upon recommendation of the school nurse, a verified appointment with a physician/dentist, and court issued orders are all recognized by the school district as a legitimate need for early excusal from school. However, parents/guardians are requested to try to schedule dental/doctor appointments after school hours.

In these cases, the school will review and verify the conditions, after which the pupil may be excused from school pursuant to prescribed procedures. Any other emergency will be reviewed by the administration and judged on its individual merits.

## **Appeal Process**

Upon losing credit for excessive absences, the student may request an appeal of his/her loss of credit as follows:

1. Within five (5) school days of notification of loss of credit, the student may request an appeal.
2. The letter of appeal must be submitted to the Assistant Principal for the student's grade.
3. A hearing will be arranged with the Attendance Appeal Committee at which time the student may bring his/her parent/guardian and/or a representative.
4. All information will be reviewed and a decision will be made within five (5) school days after the date of the hearing as to whether or not credit will be reinstated. The student and parent/guardian will be notified in writing of the results.

### **Attendance Appeal Committee**

The Attendance Appeals Committee will consist of teachers, a school nurse, and an administrator. The purpose of this committee is to make recommendations to the Principal on all appeals resulting from the implementation of the attendance policy. All attendance appeals are to be requested through the Assistant Principal for Attendance.

### **Tardiness Policy**

Homeroom will be held during Blocks 1 and 5. This allows for all tardies to all classes to be treated the same. Additionally, tardy to Blocks 1 or 5 will be considered tardy to school, and the attendance policy will be administered accordingly. A student will be considered tardy to Blocks 1 or 5 up until 7:45 am. Any student entering Blocks 1 or 5 after 7:45 am will be considered as unexcused absent for the class. All tardiness to school will result in an assignment of discipline in accordance with the school's progressive discipline policy (see below).

1st-4th tardy:	Warning
5th tardy:	Saturday Detention
6th-9th tardy:	Warning
10th tardy:	Saturday Detention
15th tardy:	ISS
16th-19th tardy:	Warning
20th tardy:	1 Day ISS and After School Detention

## **STUDENT DISCIPLINE**

Rules and regulations are necessary for the orderly operation of the school community. It is important that students recognize their responsibility to abide by the rules of the school. Accordingly, students who do not conform to school rules and regulations will be subject to the policy of progressive disciplinary rules, which include parent/guardian-teacher conference, Saturday detention, in-school suspension, out-of-school suspension, or expulsion. Administrative morning or afternoon detention may be arranged by the administration and a student's parent/guardian.

### **Standards of Behavior**

Students shall be required to conduct themselves in a manner in keeping with appropriate levels of maturity, which includes proper respect of constituted authority, conformity to school rules and regulations, and such provisions of the law as they apply to the conduct of juveniles and minors.

Poor behavior is not only undesirable in its effects upon the individual - it is also disruptive of the main purpose for which schools are established - to provide meaningful learning experiences to all students. The Roxbury Township Board of Education, administration, and faculty, have made every effort to provide a quality education for all students. To take advantage of this opportunity, the student must be willing to learn and behave acceptably.

In order to create an atmosphere conducive to the effective functioning of all students, the students are to demonstrate courtesy and respect toward school personnel and their peers, respect school property, and avoid behavior that disrupts a group activity or is detrimental to the functioning of a class or the school. Students are accountable for their actions even when these actions are taken while they are part of a group. Disruptive behavior that disturbs others or keeps others from learning **will not be tolerated**.

### **Progressive Discipline Policy**

Disciplinary problems range from minor infractions of the rules to major violations of policy and/or law. The following is a list of possible disciplinary actions:

- Administrative Warning – verbal or written
- Lunch Detention – 35 minute detention during lunch period
- Saturday Detention – 3 hours on assigned Saturday morning
- In School Suspension – 2 days of social exclusion
- Out of School Suspension – mandatory parent/guardian conference
- Other actions as deemed appropriate by the administration.

Penalty noted is minimum discipline to be implemented. Infractions not noted will be left to the discretion of the administration. Roxbury will also incorporate Restorative practices into disciplinary actions.

## **Electronic Surveillance in School Buildings**

In accordance with BOE regulation #7441, electronic surveillance is used in order to enhance a safe and secure environment. Recordings may be used to monitor and observe the conduct of school district staff, students, and other person(s) in RHS or on school grounds. Viewing or listening to the recordings will be done by the Principal or designee.

Options may include, but are not limited to, a child study team evaluation, bedside instruction, or expulsion from school.

## **Detention**

Classroom teachers may assign detention to students who disrupt the learning environment in the classroom. Detention will be served in the teacher's classroom from 2:10-3:10 pm. If a student fails to report for detention, his/her name will be submitted electronically to the appropriate Assistant Principal on a discipline referral form. A student who is assigned to a teacher detention must be notified at least one day prior to serving detention so the student can make arrangements for transportation.

## **Saturday Detention**

Saturday detention is held from 8:00 am to 11:00 AM. Students must report to the detention site with textbooks, Chromebooks, and school assignments so they are actively engaged in productive work for the entire session. Students may not eat, drink, or talk in detention. A brief break will be scheduled at the middle of the detention and students will be able to go to the lavatory and drinking fountain at this time. Failure to attend Saturday detention will result in a re-assignment of the original Saturday detention, plus an additional In-School Suspension.

## **Administrative AM Detention**

At the discretion of the Administration, and in cooperation with a student's parent/guardian, an AM Detention may be assigned in lieu of, or in conjunction with, other disciplinary consequences. AM Detention will begin at 6:30 AM and conclude at 7:25 AM.

## **In-School Suspension**

In-school suspension (ISS) will be assigned for serious or repeated violations of school policy, rules, or regulations. The purpose of ISS will be to allow the student to continue academic work while on suspension. Students receiving ISS will be assigned work by their teachers. All assigned work needs to be completed in accordance with the teacher's instructions and turned in at the end of the day. Students are expected to bring any items they anticipate needing during the day in order to accomplish that goal. This includes, but is not

limited to: pens, pencils, paper, notebooks, notes, packets, Chromebook, and any other relevant classroom materials. Procedures and rules for ISS are as follows:

1. The number of days assigned shall be one or more. This decision is left to the discretion of the administrator.
2. All pupils assigned to ISS must report by the beginning of Block 1 or 5 and will remain for the entire length of the school day.
3. Pupils who are absent must make up the day(s) missed.
4. If ISS is assigned for cutting a Saturday detention, those previously assigned detentions must still be served.
5. Students must be escorted whenever they leave the room. Two restroom breaks will be allowed: one in the morning and one in the afternoon. Going to lockers, classrooms, or socializing in the halls will NOT be permitted.
6. Pupils must stay in their assigned seats and may not talk or sleep.
7. Any unacceptable behavior, including insubordination and breach of these rules, may dictate immediate and further disciplinary action.

### **Out-Of-School Suspension**

A student receiving out-of-school suspension will be retained in school that day unless a parent/guardian is called to take the student home. An out-of-school suspension can be from one to ten days depending upon the infraction and previous discipline record. During the term of suspension, a student may not participate in any extracurricular activity. Also, students in the co-op programs are not permitted to attend work assignments and students attending Morris County Vo-Tech will not be permitted to attend classes there during the term of the suspension. When a suspension occurs at Morris County Vo-Tech, the student is not permitted to attend classes at Roxbury High School during the term of suspension. As a general rule, suspension will be graduated in length as a consequence of the number of offenses a student has accumulated. However, the Principal reserves the right to use his/her discretion and judgment in determining what constitutes appropriate disciplinary actions for a specific offense.

### **Expulsion**

Administration may recommend the expulsion of students who:

1. Are serious or repeat offenders of the Substance Abuse Policy.
2. Make "bomb threats."
3. Have exhausted all other reasonable and/or appropriate means of discipline.
4. Physically attack an employee or student.

### **Conflict Resolution**

If the students are having a conflict with someone or they know of someone who is having a conflict, they should see their counselor or an Assistant Principal to initiate a conflict mediation session.

### **Weapons Policy**

The Board of Education prohibits the possession, use or exchange of any weapon at any time in school buildings, on school grounds, at any school sponsored event, and on school sanctioned transportation except as the possession and use of a weapon is authorized by law and required in the performance of the possessor's duty. For the purpose of this policy, "weapon" means anything readily capable of lethal use or of inflicting serious bodily injury. "Weapon" includes, but is not limited to, all firearms, knives, dangerous chemicals, instruments intended to inflict harm, components that can be readily assembled into a weapon, explosive devices, and imitation firearms.

Any pupil or school employee who has reasonable grounds to suspect the presence of a weapon prohibited by this policy shall immediately report his/her suspicion to the Principal.

Any pupil who possesses, uses or exchanges a weapon in violation of this policy shall be subject to stringent discipline, which may include expulsion. Any pupil or school employee who suspects or knows of the presence of a weapon in violation of this policy and fails to report the same shall be subject to discipline. Any person who possesses a weapon at a school-sponsored event shall be reported to the appropriate law enforcement agency.

## **Substance Abuse Policy & Procedures**

In accordance with NJSA 18A:40-12, any violation of the Board rules prohibiting the use, possession, and /or distribution of a substance (including performance enhancing substances) is a serious offense, and the pupil who violates a substance abuse rule will be disciplined accordingly. Repeated violations are more severe offenses and warrant stricter disciplinary measures. Pupils who violate the substance abuse rules will be disciplined as follows:

1. Suspected of Being Under the Influence of a Substance.  
Any staff member to whom it appears that a pupil may be under the influence of a substance on school property or at a school sponsored or school related activity shall immediately report this to the school nurse or medical inspector and the Principal or designee. In instances where the nurse or Principals are not in attendance, the staff member responsible for the school function shall be immediately notified. The administrator in charge will follow this procedure:
  - a. The pupil shall be removed to a protective environment for observation and care by the nurse or responsible staff member. The Principal or designee shall request the assistance of the school nurse in assessing and monitoring the physical condition of the pupil. This will include the collection of a urine sample by the health care professionals to be used to determine the use of substances by the suspected pupil. If a medical emergency exists, the police and/or rescue squad will be called and may transport the student to the hospital. A search of the student's person, locker, and/or belongings shall be conducted by an administrator.
  - b. The administrator shall immediately notify the parent/guardian and the Superintendent. The administrator shall request that the parent/guardian come to the school immediately and shall advise them that the student must be taken for

an immediate evaluation/medical screening. If the parent/guardian cannot be contacted, the administrator shall make arrangements for the medical evaluation and will continue efforts to contact the parent/guardian. "Immediate" shall be defined as no more than one hour following the initial report that a student may be under the influence of a substance.

C. If the student leaves school property without a parent/guardian this behavior constitutes an automatic positive urine test, therefore disciplinary action will be taken immediately. The student must leave from the school building and immediately go for medical screening. A verification of arrival at the doctor's office is required. This also applies to students 18 years of age or older.

d. In consultation with the parent/guardians, if available, the Principal or designee shall arrange for an immediate medical evaluation of the pupil. This evaluation/medical screening may be performed by:

- (1) The family's private physician,
- (2) The school medical inspector,
- (3) A facility approved by the Board of Education,
- (4) The nearest hospital emergency room or clinic.

This evaluation shall include:

- (1) Examination by a physician,
- (2) Monitored urine screen, blood screen, and/or breath analysis.
- (3) Any additional medical test deemed necessary by the physician.

e. All costs of the medical examination and testing by a physician other than the school approved medical facility shall become the sole responsibility of the student and his or her parent/guardian.

F. A written report of the medical examination of the pupil shall be furnished by the examining physician to the pupil's parent/guardian, the Principal, SAC, and to the Superintendent within twenty-four hours stating when the student is or will be physically and mentally able to return to school.

g. If the student or parent/guardian does not comply with the required medical evaluation, drug screen and/or breath analysis, or if the student provides a sample determined to be adulterated, or if either the parent/guardian or the student refuses to release the results, this will be treated as a positive admission of use, and the pupil shall be immediately returned to the care of a parent/guardian and suspended, as per the discipline policy. The student and parent/guardian must meet with the Principal and the SAC. They must comply with the recommendations of the SAC prior to returning to school.

h. If the result of the medical evaluation is negative, the original concerns of the school will be voiced to the parent/guardian and student. A referral may be made to the Child Study Team, Guidance Counselor, outside agency, etc. for follow-up.

- i. If the result of the evaluation/medical screening (or a medical screening conducted at school by a pupil's probation officer) determines that the pupil is under the influence, the pupil will be disciplined in accordance with the Board of Education policy and the pupil will be required to undergo an assessment by a certified substance abuse counselor in order to determine an appropriate treatment and recovery plan for the student. Refusal by a parent/guardian or student to comply with the scheduling of the assessment will result in the student not being able to access his/her current program at school. Refusal or failure by parent/guardian to comply with the provisions of NJSA 18A:40A-12 shall be deemed a violation of compulsory education requirements (NJSA 18A:35-25 and 18A:38-31) and/or child neglect laws (NJSA 9:6-1 et seq.) Local authorities & the Department of Child Protection & Permanency will be notified.

An assessment consists of:

- (1) Signed release forms permitting the school and evaluating agency to exchange information.
- (2) Substance use history.
- (3) Monitored drug screen urinalysis, blood screen and/or breath analysis.
- (4) Developmental, family, social, academic, and behavioral histories.
- (5) Mental status evaluation.
- (6) Psychiatric evaluation when recommended by the Chemical Dependency Evaluator and/or the I&RS Team.
- (7) A treatment and recovery plan for the student.

Failure of the student or parent/guardian to comply with the terms of the treatment and recovery plan will result in the student not being able to access his/her current program at school. Refusal or failure by parent/guardian to comply with the provisions of NJSA 18A:40A-12 shall be deemed a violation of compulsory education requirements (NJSA 18A:35-25 and 18A:38-31) and/or child neglect laws (NJSA 9:6-1 et seq.) Local authorities and the Department of Child Protection and Permanency will be notified.

**B. Student Suspected of Having a Substance Abuse Problem**

Any student exhibiting any repetitive or unusual behaviors, or manifesting changes in behavior, which might be an indication of substance abuse, should be referred to the Substance Awareness Counselor.

In situations like these, where the substance use of a student is of concern, and there is no evidence of a violation of the law or school regulations, the purpose of this section is to help resolve the student's difficulty.

A referral to the Student Assistance Program can be made by a peer, by a staff member, by a parent/guardian, or by the student. The Substance Awareness Counselor will process the referral by distributing "observable behavior forms" to the appropriate staff members. The SAC will collect the forms and compile relevant data respective to the student's academic, health, guidance, attendance, and discipline records in preparation for a presentation to the I&RS Team.

The I&RS Team reviews the data to make appropriate recommendations that will serve the best interests of the student.

The I&RS Team may:

- (1) Determine that the problem behavior and suspected substance abuse should be referred to an outside source for assistance.
- (2) Determine that no further action is needed and the case will be deactivated.
- (3) Recommend to the Principal or designee that further steps are required and may request a meeting with the parent/guardian and student. At this meeting, the concerns of the school will be voiced. An assessment may be recommended. The school will assist the parent/guardian in arranging for the assessment at the expense of the parent/guardian.

- C. When a student confides to a staff member that he/she has a Substance Abuse Problem, the staff member should indicate concern for the student and suggest that a self-referral be made to the SAC. The staff member must make a referral to the SAC.

A student who voluntarily discloses his/her substance abuse to the SAC shall be encouraged to obtain an assessment and to pursue treatment. If the student resists the SAC's recommendations for referral and/or intervention, the SAC shall refer the student to the I&RS Team to determine an appropriate course of action.

Prior to any administrative and/or legal action, the SAC shall guarantee the student's right to confidentiality and protection under the law. (NJSA 9:17A; 42 CFR 2 and NJAC 6:3-6.6). The term "voluntary" shall no longer apply when the student has been brought to the attention of administration or police for suspicion of use, possession, and/or distribution.

- D. When a pupil is returning to school from rehabilitation/treatment, the following procedures will be in effect:
1. The SAC shall be involved with the exit contract and educational planning for the student prior to discharge from a treatment program. The SAC is to maintain

contact with the facility throughout the process of treatment and rehabilitation and keep the I&RS Team informed of progress.

2. The student and parent/guardian shall meet with the SAC, Principal and Guidance Counselor to determine if modifications in the educational program will be needed when the student returns and to arrange for a contract specifying the conditions for re-entry.
3. The SAC shall monitor the student on a weekly basis for the first six months following return to assess progress and compliance with the re-entry. The SAC shall bring the student to the attention of the Principal and I&RS Team immediately in cases of noncompliance or adjustment problems.
4. The I&RS Team shall review students after re-entry on a regular basis and shall make recommendations to correct situations in which a student or parent/guardian fails to comply with the contract for re-entry. The Principal shall take appropriate disciplinary action in accordance with due process when there is noncompliance with the contract.
5. When a student has been hospitalized or was in treatment without the school's involvement, the SAC shall require the parent/guardian and student to share information and participate in planning a follow-up program. Any long-term absence of a student shall require a re-entry conference.

Students exiting from the athletic lobby doors are to move away from building toward Hillside Avenue via the Bryant Drive sidewalk. Students exiting from the front lobby should proceed along the sidewalk and move to the far right corner of the parking lot. Students exiting from the rear doors will move towards Bryant Drive along sidewalks behind the school or to the football stadium entrance using the sidewalks along the rear of the school.

Emergency drills will involve specific directions from a school official and the procedures of the ALICE protocol will be followed.

## **Food and Beverage**

In order to keep the building clean and safe, food and beverages of any type are not allowed outside of the cafeteria without permission of an administrator. Students who violate this rule are subject to disciplinary action.

## **Hall Passes**

Students are not permitted in the halls during class periods unless they are accompanied by a teacher or have a hall pass signed by an authorized staff member.

The standard hall pass permits a student to go from the room to a specific destination and then return. It does not permit the student to make any unauthorized stops along the way. Failure to observe this regulation will result in the student being sent to the original location and possible disciplinary action.

## **Health Services**

Students becoming ill during the school day should secure a pass from their classroom teacher to report to the nurse. If there is a necessity to go home, the nurse will inform the student's parent/guardian and the student will be released from school. If the procedure is not followed and a student leaves without properly checking out he/she will be subject to disciplinary action.

If a student is required to take prescription medication during the school day the parent/guardian will provide a written request to the school nurse for the administration of the prescribed medication. Medications require written authorization from the attending physician. Parents/Guardians will deliver prescribed medication to the school nurse, who is the only person authorized to dispense medication.

## **Lockers**

Student lockers are the property of Roxbury Township Board of Education and are made available to students for their use. The school administration reserves the right to gain access to lockers when evidence suggests that the health, safety, or welfare of students and other personnel in the building may be endangered. If a student has any difficulty opening a locker, the student should ask a teacher or administrator for assistance. If the problem persists, it should be reported to the main office to be corrected. **Students should keep their lockers locked. THE SCHOOL IS NOT RESPONSIBLE FOR LOSSES FROM LOCKERS.**

## **Lost and Found**

The lost and found is located in the main office. If a student misplaces any article, he/she should check with a secretary.

## **Money and Valuable Articles**

Please do not bring large amounts of money to school. All valuable articles should be in the possession of the owner at all times. ***THE SCHOOL CANNOT ACCEPT RESPONSIBILITY FOR STOLEN MONEY OR OTHER ARTICLES.***

## **Posters**

An advisor and the Assistant Principal must approve Posters/signs before being hung on a bulletin board. Only masking tape may be used to tape posters/signs to wall.

## **Senior Courtyard**

The senior courtyard has been designed for use by seniors during their lunch period. Underclassmen are not permitted in this area when Senior Open Lunch is suspended. However, when Open Lunch is occurring, upperclassmen (juniors and seniors) are permitted in the courtyard. While in the courtyard, students are expected to follow all school rules and remain within the existing boundaries. During inclement weather the courtyard will be closed and students will remain in the cafeteria. The same policy will apply to the senior "round-tables" as well. When Open Lunch is occurring, upperclassmen may use the "round-table" area.

## **Skateboards/In-line skates/Hoverboards**

Skateboards/in-line skates/hoverboards are not allowed on the premises before, during, or after school hours. Students who bring these items on school property will have them confiscated, and they will be returned to the parent/guardian only.

### **Staff Member Voice Mail/Email**

Parents/guardians can leave a message for a staff member using the voicemail system. One must dial 584-1200 and then enter the voicemail extension. The staff member will return the call as soon as possible. Staff email addresses are composed of the teacher's first initial followed by the last name, [@roxbury.org](mailto:dmiller@roxbury.org). For example Dominick Miller's email would be [dmiller@roxbury.org](mailto:dmiller@roxbury.org).

### **Student ID Cards**

All students **MUST** obtain a picture ID card each year. The photos for this card are taken at the beginning of the school year. Cards are used for school lunch payments, library circulation and for signing in/out of various locations in the building. Cards are provided free of charge. **Students will need to replace a lost ID card and will be assessed a \$5.00 processing fee. Students who need a replacement should see the librarian for assistance.**

### **Substitute Teachers**

The school is fortunate in having capable people to help whenever regular teachers are ill or are attending conferences. A substitute teacher is an important visitor whose impressions of the school will be carried into the community. Be certain that these are good impressions by being polite, helpful, and considerate. It is expected that the substitute teacher be given the same respect as the regular teacher.

### **Technology Usage by Students**

In order for students to use computers/technology at Roxbury High School, the students and their parent/guardian must complete a technology usage form. Misuse of computers, ie visiting inappropriate websites, use of another student's password, will result in loss of computer use privileges. Refer to Board of Education regulations 2361 for examples of misuse.

Violation of policies and/or guidelines governing the use of computers, BYOD and/or computer services may result in disciplinary action as determined by Board Policies and/or school administration. Roxbury Public Schools is authorized to collect, examine, and suspend privileges of any computer and/or BYOD that has been suspected of being misused by a

student and/or is suspected of causing technology problems on the network in accordance with applicable laws and policies.

## **Telephones**

Students who have extreme emergencies may request a pass to Guidance or the Main Office. While students may have legitimate reasons to use their phone during the course of the school day, no excuse will be acceptable. Students who need to use a phone **MUST** report to the main office to ask permission to use either a landline or their own personal cell phone. Cell phone use (including texting) without administrative permission is prohibited.

## **Visitors**

The only visitors permitted during the school day are those who have business with the counseling department or the main office, or who are invited to participate as speakers or observers in classes or programs. All visitors must report to the security office, at the athletic lobby entrance, and produce identification. Security will issue a visitor's pass and direct all visitors to the appropriate location in the building.
