## Chromebook Insurance Option

Roxbury Public Schools is offering parents the option of purchasing insurance for student issued chromebooks. This insurance will be offered as an option **each year** your child has a chromebook. For the 2019-2020 school year, the cost of the insurance is \$28 and it will cover the **first 3 incidents of accidental damage only** through October 31, 2020. A fine of \$20 will be assessed for each accidental damage incident after the first 3 incidents.

**This coverage does not cover the chromebook cover/case or the cost of loss, theft or intentional damage of a device.**

If you would like to participate in the insurance option, please complete this form with a check for \$28 made out to "Roxbury Board of Education" and submit it to your school's designated location as follows:

- Roxbury High School - Room A104
- Eisenhower Middle School - Main Office
- Lincoln Roosevelt School - Main Office

If you have students in multiple schools, you can hand in one check to one of the designated locations for all of your children. Please make sure the names and grades of your children are written on the form and/or noted in the memo area of the check.

**If payment for insurance is not received by October 31st**, you will be financially responsible for any accidental damage to the device or components of the device (e.g., cracked screen, broken keyboard, etc.). On the back of this form is a chart that indicates the cost of the chromebook, if a complete replacement is necessary, as well as the costs of various components that could be damaged. **Please note that all repairs and/or parts must be completed through the Roxbury Technology Department. You will be liable for the cost of the device if you choose to use outside parts and/or repairs as you will have voided our agreement with our vendor. \*\*\* Also any student that does not have chromebook insurance will be unable to receive and/or keep their chromebook over the summer.**
