Dear Parent or Guardian,

Your child has been given the opportunity to be a member of the Lincoln/Roosevelt Chorus. We would like to make you aware of the guidelines set up for being a member of the chorus.

1. This class is a graded course on the report card. It is a privilege to be a member of the chorus therefore; the faculty has high expectations for behavior. Any deviation will result in dismissal from this class.
2. Members are responsible for attending a forty-two minute rehearsal **once** a week during the assigned LAP period.
3. For us to provide the most comprehensive and positive experience, *students are asked to make a commitment to the end of the school year*. Should extenuating circumstances arise during the year, we ask you consult the chorus teacher with thoughts and concerns prior to making decisions about schedule changes.
4. Members are responsible to attend a dress rehearsal at the Roxbury High School during the school day. (Transportation provided by the school.)
5. **Members are responsible for attending an evening concert at the Roxbury High School in May.** Please mark your calendar for this date now. (Parents are responsible for transportation.)
5. In order to add uniformity to the group, all members will wear a dark bottom and a white top on the evening of the concert.

Please note that participation in chorus does not prevent students from playing an instrument. Students are welcomed and encouraged to participate in all music programs, and as teachers, we are dedicated to making all activities fit easily within students' schedules.

We are proud that so many students wish to take part in the choral program and we hope that you, as parents, will review these guidelines with your child and help him or her make a decision. Please fill out the next page and return it to your child's homeroom teacher. If you have any questions, please e-mail or call us. Looking forward to a great year!
