Dear Roxbury High School Learning Community,

Roxbury High School was scheduled to administer the assessment formerly known as PARCC, now the NJSLA (New Jersey State Learning Assessment) the week of May 6. Coincidentally, Advanced Placement exams begin that week. Although the [NJDOE graduation requirements](#) have been changing, the NJDOE's expectation for all students to take the assessment remains consistent, and the Roxbury School District echoes this sentiment and encourages all students to participate in the NJSLA assessment. This adjustment is essential to the schedule as many of our students that have to take the NJSLA will also be taking the AP exams, and we want all students to be afforded the maximum opportunity to meet with success. Therefore, in an effort to support our students' mental well-being, your administrative team felt it would be in the best interest of our students move NJSLA dates. Roxbury High School will now be administering the NJSLA April 15-17 and make up dates for the NJSLA will be April 29-May 3.

Should you have any questions or concerns, please feel free to reach out.

Respectfully,

Dominick J. Miller
Principal
