Director of Guidance

July 2, 2018

Dear Roxbury Family,

I am excited to serve as your principal at Roxbury High School. For those of you that may not know me, let me introduce myself. The 2018-19 school year will be my 18th year as a caring, progressive, student first educator. I spent ten years in the classroom teaching Social Studies at the Middle School and High School level in Pompton Lakes, Wildwood, Mountain Lakes and Roxbury. My administrative career in Roxbury has spanned seven years. For three years, I served as an assistant principal at Roxbury High School. The past four years I have served as the principal at Eisenhower Middle School. In each role, I have made every student my main priority, and I will continue to do the same as your principal.

Fortunately, I know a large portion of our student body, staff, parents and members of the community. I look forward to getting reacquainted with those folks, and getting to know those I have not had the fortune to meet yet. Collectively, we will all work together to ensure we are presenting our students with great opportunities. A team approach will ensure that our students will have the support they need to face any challenge. I am excited to see the great things we can accomplish together.

I believe that we can support our students by encouraging them to focus on Academics, Activities, Athletics, and the Arts. Each of the "Four A's" represent opportunities for expression, individuality, teamwork, and developing positive habits. Roxbury High School will continue to be competitive in the "Four A's" preparing our students to succeed in all aspects of life.

Perhaps the most important aspect for any parent is to feel that their children are safe at school. I give you my word that the safety and well-being of our students and faculty will be our main priority. Working with local law enforcement and our stakeholders, Roxbury High School will be a place where our students feel safe and secure. A place where our students can create positive relationships and focus on being a student.

I am very excited to begin a new phase in my career, especially at Roxbury High School. I look forward to fostering positive relationships with our learning community. The Roxbury High School staff will support our students academically, socially, and emotionally. Together we will prepare our students to be successful well-rounded citizens that feel comfortable making tough decisions.

Also new to the Roxbury family are Eric Schmidt, Supervisor of English 6 - 12, Jeffrey Fiscina, Supervisor of Mathematics, 6 -12, and Amy Gallagher, Director of Special Services.

Please feel free to reach out with any questions, concerns, or ideas you would like to discuss.

Respectfully,

Dominick J. Miller
