Re: Seventh grade orientation programs at Eisenhower Middle School

Dear sixth grade students and families,

I hope this letter finds you all well and enjoying the final months of the school year at Lincoln-Roosevelt. We look forward to welcoming you all to the Eisenhower family in just a few short months, and are confident you will find EMS to be a great place for all to learn, work and grow! To help ease the transition process, EMS will be hosting orientation programs for students and parents on **Thursday, June 6:**

- Student Orientation Program - June 6, 9:30-11:30 am (Transportation to and from the program will be provided by LRS)
- Parent Orientation Program - June 6, 7:00-8:00 pm (EMS Auditorium)

During the Student Orientation, incoming seventh graders will have the opportunity to tour the building, learn about our programs, clubs, and extracurricular opportunities, and ask questions to current EMS Student Council Officers and Peer Leaders. At the Parent Orientation, participants will have the opportunity to meet with administration and learn more about school's mission, goals, programs and procedures. Each of these programs is an important first step towards what we know will be a successful and rewarding middle school experience for you and your child.

Thank you in advance for your support and partnership of our students and school. If you have any questions or concerns, please do not hesitate to reach out using the contact information above. If not, I look forward to seeing you all in the auditorium on the evening of June 6.

Respectfully,

Paul S. Gallagher
