EMS Can Drive

Thank you to all the families who sent in canned food and essential household items to support our 2019 Can Drive. Thanks to our Peer Leaders and Student Council, all donations have been delivered to Roxbury Social Services and are already being put to good use!

Roxbury Sound perform at Met-Life Stadium!

The Roxbury Sound (which includes 25 students from EMS) held their performance at MetLife Stadium on Sunday, December 8. Rumor has it their parking lot and on-field pregame shows inspired the Jets and vaulted them to victory on Sunday. A special thank you to Mr. Masi & Mrs. Perrone for the pictures!
