Director of Guidance

January 2019

Dear Parent/Guardian:

On Thursday, January 24, 2019, the staff and administration of Roxbury High School will hold an orientation program for the parents and guardians of our incoming ninth grade students. It is designed to facilitate a smooth transition for students moving from eighth to ninth grade.

The information session will begin at 6:45 p.m. in the Dining Hall. During the first portion of the program, I will introduce our subject area supervisors and lead teachers. Next, Mrs. Bacchetta will give a brief overview of the scheduling process and a review of other important issues for incoming freshmen students. Then, we will visit various departmental meeting rooms to gain general information about the course offerings for ninth grade students.

We look forward to seeing you on January 24, and remember "Every day is a great day to be a Roxbury Gael!".

Respectfully,

Dominick Miller
Principal
