# Did you love the events this year? Help us keep them going!

We are in need of Chairs for next year. ***What does the role of “Chair” entail?***

-Take the lead to plan and run the event or fundraiser

-PTA Board provides directions, a timeline for planning, important aspects to consider, and a budget

***The PTA board acted as chairs for most things this year, but in order to better fulfill our set roles we will need more help. If we do not get chairs for these things, it is likely we will not be able to hold certain events and fundraisers.***
