

**Please help support the children of Ghana!**

I will be traveling to Ghana to visit my daughter, Lauren, as she finishes her fellowship in pediatric gastroenterology.

I am in search of donations of culturally sensitive books to donate to the Children's hospital in Ghana. I will be delivering the books directly to the hospital.

If interested, please have the books available by October 19th. Please drop them off in room 9!

I appreciate all of your support and help!  
Patti Klein
