

ROXBURY PUBLIC SCHOOLS PRESENTS...

AMY MCCREEDY

POSITIVE PARENTING SOLUTIONS

Returning to a typical routine after the initial impact of the COVID 19 pandemic has been a challenge for everyone...especially our students. Supporting students with the transition back to a typical school environment is a critical opportunity that is best accomplished through a school and home partnership. Amy will present strategies to support parents with this transition and provide ideas about how to ensure the greatest benefit from the learning experience both at home and in school.

This will be an interactive, virtual presentation as follows:

January 25 6:00 - 7:30 PM for grades K - 6

January 26 6:00 - 7:30 PM for grades 7 - 12

ALL PARTICIPATING PARENTS WILL BE ENTERED INTO A RAFFLE FOR ACCESS TO AMY'S ONLINE PARENTING SUPPORT PROGRAM AND/OR ONE OF AMY'S BEST-SELLING BOOKS.
