

Congratulations _____!!

You have qualified to participate in the Eisenhower Middle School Math League!

As a member of the Math League, you will have the opportunity to test your problem solving math skills against other “mathletes” your age in several different state and national competitions.

Over the course of the year, there will be about 2 meetings per month (all on Thursdays), some for practice and some for competitions. Meetings are held after school in Ms. Thomas’ Room 5, and we will finish in time for the 4:00 pm late bus. Below is a list of the tentative meeting dates:
