EMS Newspaper Club
2021 - 2022

The Newspaper Club is a club that publishes the EMS Newspaper, that is *the* place to go for EMS and community news. Meetings will be held twice per month, please see below for meeting times. Editorial & design staff may be required to attend an additional session prior to each publication deadline. The dates for these meetings will be determined as needed. Regular attendance and online check-ins are KEY for the publication to be released in a timely manner. This is an exciting opportunity for your child to have a forum in which to communicate with peers and community members, the issues and events relevant to the lives' of middle school children.

Kindly complete and return the lower portion to give your child permission to attend. Thank you for your support!
