Dear Prospective Exhibitor / Instructor:

Roxbury High School will host the First Annual Rox Wellness Expo on Thursday, December 5th and Friday, December 6th, 2019. Please accept our invitation to partner with us in this meaningful event. The goal of this expo is to promote a healthy lifestyle and community, with the over 1,500 Roxbury High School students and staff, by providing a means of awareness of the services that are available to assist them in their daily lives. Roxbury High School has been progressive in integrating the most current physical fitness and wellness trends. Some of the courses being offered include Personal Wellness, Intro to Exercise Science, Intro to Exercise Psychology, and Foundational Components of Allied Health Services.

The Rox Wellness Expo will be an opportunity for you to introduce your services to the high school community and connect with them on an individual basis. We would like to invite you to participate as either an exhibitor, as an instructor or as both:

Exhibitor -

The Vendor Fair will take place on Friday, December 6th. You are invited to set up a booth to provide any educational material, informational brochures, and free samples of your products. If you are interested in participating, please complete the enclosed Wellness Expo Exhibitor/Vendor Registration Form and return it by November 15th. Please be sure to include a logo for our t-shirts. There is no cost to participate in this event.

Instructor -

The goal of the Wellness Expo is to be interactive and engage students. If you or your business is interested in teaching a class or coordinating an activity for students that promotes healthy lifestyles and personal wellness please complete the Instructor Registration Form and return it by November 15th. Hour long classes will be offered to students on December 5th and 6th. You will be recognized in the Rox Wellness Program and on the T-shirt.
