#### **Emergency School Closing and Delayed School Openings**

In the event that school must be closed/delayed due to inclement weather, announcements may be found over the following sources:

- \* Blackboard Alerts
- \*District Website, Facebook, Emails to internal staff, NEWS12 NJ, and Channel 5.

The District website, roxbury.org, posts school closings immediately.

If a TV announcement is "Roxbury Township Schools will be open late," the high school will begin at 9:25 a.m. Dismissal will be at the regular time. When school is closed or is dismissed early for safety reasons, all school sponsored activities will be automatically canceled and/or postponed. This includes social events, club meetings, sporting events (home and away), and practices.

#### **Blackboard Notification System**

Last year we transitioned from Honeywell to the Blackboard Notification System. Please make sure that your contact information is correct in Genesis. This will ensure a smooth transition and ensure that you receive pertinent information and updates.

#### **Genesis E-Mail**

We utilize our student management software, Genesis, as a communication tool. We will continue to expand our use of this valuable tool to communicate important school events, deadlines, and notifications.

RHS has added additional communication tools; you may now "like" RHS on Facebook and follow us on Twitter via the high school website or my Instagram@roxprincipal.
