

## Roxbury Education Foundation Sponsorship Opportunity

The Roxbury Education Foundation (REF) members are dedicated to creating a supportive and encouraging environment for students and educators alike. Our mission is to provide the learning community with the resources and opportunities to thrive while empowering educators to be their best selves.

### **100% of the Donations Support the Roxbury School District!**

With your generous donations, we can help the Roxbury School district. This collective effort will directly and significantly enhance our schools, making resources available to ALL certified teachers and administrators, thereby considerably improving the educational experience for our students. In addition, our executive trustees and volunteers will also seek outside grants and host various fundraisers including our first annual Gala!

### **The Benefits of Roxbury Education Foundation Grants**

As a nonprofit organization, the foundation will provide additional funds to support the needs of students and staff impacted by budget cuts.

The Roxbury Education Foundation plays a crucial role in our community, bridging the gap between programs funded with tax dollars and the need for additional ones that inspire students to learn. The foundation's provision of this level of opportunity is essential, allowing the district to allocate extra funds to create more self-sustaining or recurring revenue sources. This enhances the educational experience and inspires hope for a brighter future.

### **Your support is crucial to our mission!**

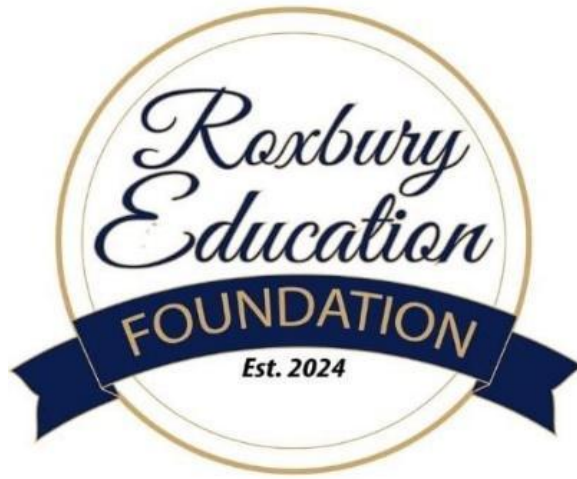

Your Support is integral to this process, and we value your contribution to making our mission a reality. Sponsorships offer a unique opportunity for your business to gain valuable exposure and align with a positive, community—and school-focused organization. Your partnership will contribute to the foundation's success and showcase your commitment to our district's education and the future of the students in our community. Your donations will maximize student achievement in a competitive world.

**We sincerely appreciate all the hard work our school district puts into providing our children with a quality education, and we want to help! The Roxbury Education Foundation is committed to working with our community and establishing relationships that can create a brighter future for our schools.**

Roxbury Education Foundation is a nonprofit corporation (with a 501c3 pending). All donations are tax-deductible to the extent allowed by law, providing an additional incentive for your generous Support.

Thank you,

The Roxbury Education Foundation Board
