X. SUPERINTENDENT'S REPORT

Quick, but important 'shout out' to all of the Moms out there. I hope you all had a well-deserved, wonderful Mother's Day.

1. Thank you to Mr. Mason and all for their overview of our Physical Education and Wellness program. To reiterate what Mr. Mason said earlier, while the state sets the standards, we set the lesson and curriculum. We have not received any official update per the DOE broadcasts. Nonetheless, we will have a presentation in August to share the curriculum updates. We have also begun discussing how we can further involve our community in curriculum review prior to its adoption.
2. *SDF Habitat House: I'd like to acknowledge all of those who took time out of their busy schedules to attend the celebration of our donors and contributors to the SDF Habitat House. Special thanks to our BOE members in attendance, Sen. Bucco, Assemblywoman Dunn, Mayor Rilee, Councilman Hall, and Councilwoman Albrecht. (Carol said this, so I modified.)*
3. Thanks goes to the Roxbury Woman's Club for helping to beautify the Roxbury Schools and community! In recognition of Earth Day, Diane Olivo, the Environmental Chair of the Woman's

- club provided the district with 50 seedlings of Dogwoods and Bayberry trees. They will be planted at all seven schools.
4. I'd also like to remind our community to continue monitoring student health and enforcing healthy protocols. There has been an increase in Covid cases recently. Let's keep washing our hands and being mindful of healthy habits. We will continue to follow the "quarantine for five days and if symptom free, return masked for five days" protocols. Today, I received a broadcast from the Department of Education, noting the uptick across the state and what could happen should we return to a 'high risk' status. We only have six weeks of school remaining and finally some good weather. Let's hope this increase passes by quickly.
 5. This Wednesday, I will have the honor of attending Morris County Middle School Leadership Awards. It's our first in-person ceremony in two years. I'm looking forward to spending the evening celebrating Madelynn Anderson, our 8th grade recipient of the award. Congrats, Madelynn!
 6. I had the fortune to observe a kindergarten orientation at Nixon elementary school. The information shared with the parents was both thorough and exciting. Parents learned about our Portrait of a Graduate initiative, the typical schedule for kindergarteners, a little about our curriculum, whom to reach out to with questions, and how to be a bucket filler. It was great to be there.
 7. Some important dates to remember:
 - SDF Habitat House moves to its permanent location: May 18th*
 - Top Ten Dinner, June 9th*
 - EMS Step Up, June 15th, 6pm*
 - RHS Graduation, June 16th, 10am*

XI. BUSINESS ADMINISTRATOR'S REPORT

Mr. Mondanaro reported there are a couple of purchases to make note of in the Finance portion of the Agenda. We are upgrading the Aviation Lab's casework and will be also replacing the floor.

We are also purchasing cameras for our buses. We normally purchase 7 per year but this year we have decided to outfit the remaining 38 buses. Next year, every bus in Roxbury will have a camera on it.

We celebrate those who donated to the SDF/Habitat House today. Please note the 3 new donations on the Agenda.

I want to thank everyone for donating their time to the Farmer's Market. It was a fantastic day. Our Interact and Early Act students, families, and advisors were just amazing.

I also want to congratulate Kathy Kolbusch for her very first grant award but I don't want to steal her thunder so I will let her tell you all about it.
