ARTICLE III GRIEVANCE PROCEDURE

A. Definition

1. A grievance shall mean a complaint by an employee or a group of employees that there has been to him or them a personal loss, injury or inconvenience because of a violation, misinterpretation or inequitable application of Board policy, the Agreement or an administrative decision affecting employees.
2. A grievance to be considered under this procedure must be initiated by the employee through an informal meeting with building principal or if appropriate, the designated supervisor, within thirty (30) school days from the time when the employee knew of its occurrence.

B. Procedure

- 1.a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- 1.b. It is understood that employees and the Board shall, notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

2. The Association may submit any grievance and may continue it through all levels of the grievance procedure. If it is limited in effect to one school, the grievance shall be submitted to the building principal. Otherwise, it shall be submitted to the chief school administrator or designee.
3. The grievant(s) shall discuss it first with the building principal or if appropriate, the designated supervisors. If, as a result of the decision of this discussion, the matter is not resolved to the satisfaction of the grievant(s) within ten (10) school days, the grievant(s) may then meet with the Superintendent, or designee, in an attempt to resolve the matter informally at this level.
- 4.a. If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant(s) within ten (10) school days after the presentation of the grievance, he shall set forth his grievance in writing to the Superintendent specifying:
 - (1) The name of the grievant(s)
 - (2) The specific contract section or provision, or Board policy or administrative decision alleged to have been violated;
 - (3) The nature and extent of the injury, loss, or inconvenience;
 - (4) The result of the previous discussion;
 - (5) The reason for dissatisfaction with the previous decisions; and
 - (6) The precise remedy sought.

- 4.b. The superintendent shall, within ten (10) school days after the receipt of the grievance, conduct a hearing with the grievant and the interested parties and shall communicate his decision, in writing, within (10) school days following the conclusion of said hearing.
5. If the grievance is not resolved to the grievant('s) satisfaction, he, no later than ten (10) school days after receipt of the superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the superintendent who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall hold a hearing with the aggrieved present, and shall render a decision, in writing, within twenty-eight (28) calendar days of receipt of the grievance by the Board.
6. If the decision of the Board does not resolve the grievance to the satisfaction of the aggrieved, and the grievant(s) in conjunction with the Association wishes a review by a third party, the Association shall so notify the Board through the superintendent within ten (10) school days of receipt of the Board's decision, except in the case of a grievance involving any of the following points:
 - a. A complaint of a non-tenured employee, which arises by reason of his not being re-employed.
 - b. A complaint by any personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.
- 7.a. The procedure as prescribed by law (N.J.S.A. 19:12-5.1 et seq.) will be used to secure the services of an arbitrator, or an arbitrator may also be obtained from the Public Employment Relations Commission.
- 7.b. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The decision of the arbitrator shall be final and binding upon both parties. Only the Board and the aggrieved and his representatives shall be given copies of the arbitrator's award. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearings.
- 7.c. The parties shall be responsible for all costs incurred by each and only the fee and expenses, if any, of the arbitrator shall be shared, each party paying one-half (1/2).
- 7.d. All documents, communications and records relating to the processing of a grievance shall be maintained in a separate grievance file and shall not be kept in the personnel file of any of the participants.

C. Rights of Employees to Representation:

1. Any aggrieved person may be represented at all steps of the grievance procedure by himself, provided the grievant notifies the Association in writing and releases the Association accordingly, or, at his option, by a representative selected or approved by the Association.

2. When a grievant(s) is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance to the superintendent, or any later level, be notified by the superintendent that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered.
