The Board of Education has purchased an accident policy on all students covering them for all interscholastic sports, and the following activities:

Band, Cheerleaders, Majorettes, Intramural sports, non sport extra curricular activities, flag football, gym class, volunteers, student coaches-managers-trainers, & recess.

This program is written on what is referred to as an "EXCESS MEDICAL BASIS". This means that in the event of an accident, you would submit the bills to your individual health insurance carrier i.e. Blue Cross/Blue Shield, Prudential, and whatever they pay is primary. After submitting your claim to your insurance carrier, your carrier will provide you an EOB (explanation of benefits) which you will submit to Bollinger Inc. Bollinger coverage reimburses on a reasonable and customary payment basis subject to the terms and conditions of the policy language.

The program is written in this manner to provide protection at the lowest possible cost for the entire student body and is in effect with a company with excellent service and reputation.

CLAIMS:

The key to a smooth and cooperative effort on the part of all concerned is the prompt filing of a claim form, which is obtainable at the nurse's office. In the event of an injury all claims must be reported to Bollinger within 90 days of the accident. This will expedite payment to both the parent, for out of pocket expenses, and to the attending physician avoiding any long delays and misunderstanding.
