

If Required - File Your CSS/Profile Early!

High School Seniors, Guidance Counselors, and Administrators,

In addition to the FAFSA, which is required from all students seeking college funding, **approximately 250** of the nation's institutions also require the CSS/Profile to help determine your eligibility for financial aid.

[Click here](#) to see if a school you are considering requires the CSS/Profile.

If the CSS/Profile is required, it's important that the application be submitted in a timely manner.

You may file your CSS/Profile online at the [College Board's website](#).
