We understand that this school year will look much different than previous years and the Y is here to help.

The Randolph YMCA will be running an all-day program for any student who wishes to participate in a educational and recreational program. This all-day program will aid in supervised schoolwork while having meaningful social interactions. With programming designed to support your child's new schedule, you can have peace of mind knowing your child is in a safe, engaging, and structured environment that will set them up for success both in and out of the classroom. Classrooms will be socially distant and face coverings are required.

OUR PROGRAM WILL PROVIDE:

- Quiet space to engage in supervised schoolwork with staff support.
- Arts & Crafts, Nutrition, Character Development and social-emotional learning (SEL).
- Recreational and physical fitness activities to encourage movement and fun.

Our program fee is based on the school's calendar and your child may attend some or all of the school days each month. We are following the NJ Department of Health and CDC guidelines that require dedicated cohorts of groups of 10. You are reserving your child's spot in his/her cohort for the month. The program is available at your convenience and to accommodate your schedule.

WHAT PARENTS WILL PROVIDE:

- All necessary books and schoolwork and/or laptop & charger
- Headphones or ear buds
- Lunch and a snack
- A tote bag or backpack for each student's belongings
- We are encouraging students to wear sneakers, so they are able to run and play during recreation time.
- Two face-coverings

8:00 am-6:00 pm
