16. Policies and procedures exist to ensure a coordinated system for planning, delivering, measurement, and modification of intervention and referral services is implemented in each school by a multidisciplinary team to address the learning, behavioral, and health needs of all students. (N.J.A.C. 6A:16-8) This requirement may be fulfilled through implementation of the New Jersey Tiered System of Support (NJTSS) or other models such as Response to Intervention (RTI) and Multi-Tiered Systems of Support (MTSS). The system includes:					
a. A continuum of supports and interventions available in each school to support learning, behavior, and health needs; b. Action plans for interventions based on student data and desired outcomes; c. Professional development for multidisciplinary teams and staff who provide interventions; and d. Review and assessment of effectiveness of interventions (e.g., progress monitoring).		6	1	0	Intervention and Referral Services are clearly defined and available at all schools to support students identified of being in need of academic, behavioral, social, or emotional support. This protocol is supported by Policy and Regulation 2417.
