Join the Roxbury Alumni Association

The Roxbury Alumni Association was established in the early 1900s and formally incorporated in 1968. Every year the Alumni Association provides a scholarship to a graduating senior. The association also purchases an Echo yearbook and donates it to the Roxbury Township Library for its archive.

Membership is only $10 and with your gift, you directly support the ability for the Alumni Association to continue giving a RHS grad a scholarship. You are also supporting the association as it develops new programs and events for you to enjoy.

To become a member of the Alumni Association, please visit **www.roxbury.org/alumni** to download the membership form.
